

PRESS RELEASE

THE NATIONAL VACCINATION PROGRAM FOR COVID-19 IN BRUNEI DARUSSALAM

09 Ramadhan 1442 / 22 April 2021

1. By the consent of His Majesty the Sultan and Yang Di-Pertuan of Brunei Darussalam, the Ministry of Health would like to inform the public that His Majesty the Sultan and Yang Di-Pertuan of Brunei Darussalam has consented to receive the second dose of COVID-19 vaccine injection and thus, has completed COVID-19 vaccination regime.
2. The Ministry of Health would like to remind the public that the people and residents of Brunei Darussalam are still exposed to the risk of transmission of the COVID-19 disease. Getting a COVID-19 vaccine is the most effective measure to protect oneself, our family and the society from the harmful effects of COVID-19. In the medium and long term, as more people are vaccinated, the higher the level of immunity of the population of this country against the disease. This in turn will be able to reduce the impact of COVID-19 on public and community health.
